

Privacy Policy

This Privacy Policy (PP) applies to the software application or framework (Software) authored by DLHSoftware SRL, Cluj-Napoca, Romania (DlhSoft), that it accompanies.

No Personal Data Collected

Upon running the Software, we will NOT ask end users to provide personal information, such as e-mail addresses, names, home or work addresses or telephone numbers. Moreover, we will NOT collect demographic information, such as postal codes, nor preferences, interests and favorites. The data processing logic that the Software performs is executed only the local computer, and does NOT send any input data or files to DlhSoft or any third parties.

Besides Apple's frameworks themselves, the Software does NOT include and does NOT use any third party code or services.

Security of Personal Data

DlhSoft is committed to protecting the security of any personal data (and generically, of all data) that would be made available to the Software. We use a variety of security technologies and procedures to help protect information from unauthorized access, use, or disclosure.

Contact

Should you have any question concerning this PP, or if you desire to contact DlhSoft for any reason related to the accompanying Software in regard to the policy, please use the Contact Page of the DlhSoft Web site: <http://DlhSoft.com/Contact>.
